ANNEXURE F TO DIRECTORS' REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT 2026

About us:

The Company is a leading retail-focused firm that promote growth and innovation in retail businesses through strategic alliances and financial partnerships. They offer customized support, helping retail entrepreneurs from the early start ups to large-scale expansion. Our Company is currently engaged in the business of selling various products in the categories ranging from pharmaceutical products, consumer durables to ayurvedic personal care products. With years of industry experience, our team provides unmatched expertise in financial partnerships within the retail sector. We connect our clients with a network of industry leaders and retail experts to foster collaboration and innovation. Whether it's start-up assistance or scaling support, we tailor our services to meet your specific needs.

In a rapidly changing world where digitization and sustainability are key, we are committed to a purpose-driven and future-ready journey.

1. Industry Structure & Development and Challenges:

Due to change in control and management of the Company, the nature of business has been changed from designer jewellery & Diamonds to Retail segment, FMCG with Ayurveda and Urban Salon division, Micro Investors. Since the changes in the nature of business took place in the Previous F.Y. i.e. 2024-2025, the Company is yet to gain confidence of the consumers.

However, the FMCG sector is one of the fastest-growing industries in India, driven by rising disposable incomes, urbanization, changing lifestyles, and increased awareness of hygiene and personal care.

Key trends include:

- Rapid growth of online retail and e-commerce platforms.
- Increased demand for affordable yet branded household care products.
- Rising consumer shift toward sustainable and natural ingredients.

Challenges include intense competition from established FMCG giants, fluctuations in raw material prices, and evolving regulatory norms.

2. Outlook, Opportunities, Threats:

The Company sees significant opportunities in:

- Expanding product portfolio within personal care and home hygiene.
- Strengthening distribution channels across urban and semi-urban markets.
- Leveraging digital platforms for branding and direct sales.
- Rising demand for affordable quality brands among middle-income consumers.

Threats include competition from multinational players, rising input costs, and consumer preference shifts. However, the Company is confident of capturing market share with its value-driven offerings.

3. Segment-wise Performance:

The Company operates with a diverse portfolio of well-known brands in three main business areas: Retail segment, FMCG with Ayurveda and Urban Salon division, Micro Investors.

4. Risks and concerns

Risk Management is an on-going process. Effective risk management is therefore critical to any organizational success. Globalization with increasing integration of markets, newer and more complex products and transactions and an increasingly stringent regulatory framework has exposed organizations to and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. The sustainability of the business is derived from the following:

- Identification of the diverse risks faced by the Company.
- The evolution of appropriate systems and processes to measure and monitor them.
- Risk Management through appropriate mitigation strategies within the policy framework.
- Reporting these risk mitigation results to the appropriate managerial levels.

5. Internal Control System & Their Adequacy

In terms of Section 134 of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company works with internal control systems commensurate with the size, scale and complexity of its operations. The Board has adopted the policies and procedures for ensuring the orderly and efficient control of its business including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds, errors, reporting mechanisms, the accuracy and completeness of the accounting records and timely preparation of reliable financial disclosures. To maintain objectivity and independence, the Internal Auditors report directly to the Audit Committee. Based on the report of the Internal Auditors, process owners undertake corrective action when required. Significant observations and corrective actions needed or taken are presented to the Audit Committee.

6. Financial performance with respect to operational performance

Our company has experienced significant growth across all aspects of our operations, leading to substantial improvements in our overall financial performance. Enhanced efficiency and productivity have resulted in lower production costs and higher output, directly boosting our profit margins and increasing net income. Our commitment to superior product quality and customer satisfaction has strengthened customer loyalty, driven higher sales and expanding our market reach. Additionally, our strategic expansion of capacity and market presence has diversified our revenue streams, contributing to stronger cash flow and financial stability. Effective cost management and optimized asset utilization have further amplified our profitability, reflected in improved returns on assets and equity. These advancements, supported by our adoption of innovative technologies and processes, have not only solidified our competitive edge but also ensured sustained financial growth and resilience.

7. Material developments in Human Resources/Industrial Relation front including number of people employed:

The company considers human resources as one of the vital and important factors for sustained growth. The human resources strategy is to attract talent in the industry, develop and upgrade their skill and competence on the job and ensure employee satisfaction through reward, appreciation and development of environment based on culture and values nurtured by the Group over the years.

8. Details of significant changes (i.e. changes of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof

Name	Ratio
Debtors Turnover Ratio	4.43
Inventory Turnover Ratio	3.30
Interest Coverage Ratio	-
Current Ratio	11.84
Debt-Equity Ratio	-
Operating Profit Margin (%)	1.03
Net Profit Margin (%)	0.48

Interest Cover Ratio: The interest cover ratio is not applicable because we don't have any interest-bearing debt. Since we're not incurring interest expenses, there's no need to calculate this ratio.

Debt-Equity Ratio: We don't have a debt-equity ratio because our business is currently operating without any long-term debt. Our operations are funded through equity or other non-debt means, which is why this ratio isn't applicable to us at the moment.

Current Ratio: The current ratio has exceeded 25 (%) due to a combination of factors. We've seen a growth in our current assets, particularly in areas like inventory, accounts receivable, etc., which has contributed to the higher ratio. Additionally, our current liabilities have either remained stable or decreased slightly, which also impacts the ratio. This higher current ratio indicates stronger liquidity, positioning us better to meet short-term obligations.

9. Trading Status On the stock exchange:

The company's equity shares are listed and traded on Bombay Stock Exchange Limited.

10. Details of any change in return on Net worth as compared to the immediately previous financial year along with detailed explanation thereof.

Our company's net worth has increased significantly due to a combination of factors. We achieved higher profits this year, driven increase in sales and improved operational efficiencies that reduced costs. Furthermore, our strategic investments in new technologies and markets have begun to yield returns, contributing to the overall increase in our asset base and net worth.

11. Cautionary Statement:

Statements in the Management Discussion & Analysis, describing the Company's objectives, projections and estimates are forward looking statement and progressive within the meaning of applicable laws & regulations. Actual result differs materially from those expressed or implied. Important factors that could make a difference to the Company's operations include raw material availability and prices, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economic developments within India and the countries in which the Company conducts business and other incidental factor.

ANNEXURE – G TO DIRECTOR’S REPORT

CORPORATE GOVERNANCE REPORT TO THE DIRECTORS’ REPORT FOR THE YEAR ENDED 31ST MARCH, 2026

1. COMPANY’S PHILOSOPHY

INDEPENDENT AUDITOR'S REPORT

**To the Members of
RAJNISH RETAIL LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of M/s. Rajnish Retail Limited "the company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of membership of the Company as at March 31, 2026 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAS) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICA") together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Director's are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters Specified in paragraphs 3 and 4 of the Order.

Annexure- “B” To the Independent Auditor’s Report

Report on the Internal Financial Controls over Financial Reporting under Clause (1) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of M/s. Rajnish Retail Limited (“the Company”) as of in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes these policies and procedures that (1) pertain to the maintenance of records that, in reasonable detailed, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted principles, and that receipts and expenditures are being made only in accordance with authorization of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over Financial reporting were operating effectively as at, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2026.

1.1. Basis of Preparation & Measurement of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting standards (hereinafter referred to as the 'Ind AS') notified by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 ('Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and the relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31 March, 2026, the Statement of Profit and Loss for the year ended 31 March 2026, the Statement of Cash Flows for the year ended 31 March 2026 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'financial statements').

These Financial Statements were approved by the Board of Directors and authorised for issue on 06th May, 2026.

The financial statements have been prepared on an accrual system, based on the principle of going concern and under the historical cost convention, unless otherwise stated.

The Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest rupee, unless otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2. Significant Accounting Policies:

The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all years presented, unless otherwise stated. The presentation of financial statements requires the use of certain accounting estimates. The areas where significant judgments and estimates have been made in preparing the financial statements and their effects are disclosed.

A. Property Plant & Equipment:

(a) Initial Measurement & Recognition

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the assets to its working condition for its intended use with any trade discounts or rebates being deducted in arriving at purchase price. Cost of the assets also includes interest

on borrowings attributable to acquisition, if any, of qualifying fixed assets incurred up to the date the asset is ready for its intended use.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, plant and equipment.

Cost of Property, plant and equipment not ready for intended use as on the balance sheet date, is disclosed as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under Other non-current Assets.

Any gain or loss on disposal of an item of property plant and equipment is recognised in statement of profit and loss.

(b) Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

(c) Depreciation:

Depreciation is provided based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 on Written down Value Method. Depreciation on assets added/disposed off during the year is provided on pro-rata basis from the date of addition or up to the date of disposal, as applicable.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

B. Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is computed on a weighted average basis. Cost of finished goods and work-in-progress include all costs of purchases, conversion costs and other costs incurred in bringing the inventories to their present location and condition. The net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

C. Cash and Cash Equivalents

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

D. Financial Instruments:

(A) Financial Assets

Recognition and measurement

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost is recognised in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortised cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI)

(a) Measured at amortised cost: Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the effective interest rate ('EIR') method less impairment, if any. The amortisation of EIR and loss arising from impairment, if any, is recognised in the Statement of Profit and Loss.

(b) Measured at fair value through other comprehensive income: Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(c) Measured at fair value through profit or loss: A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables and loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit

losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company is recognised at the proceeds received, net of direct issue costs.

All investments in equity instruments classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL. For all other equity instruments, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. Fair value changes on an equity instrument shall be recognised as 'other income' in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

De-recognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss, if any.

(B) Financial Liabilities:**Initial recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

E. Provisions and Contingent Liabilities

Provisions are recognised when the Company:

- (a) has a present obligation (legal or constructive) as a result of a past event,
- (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and
- (c) a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

F. Revenue Recognition

Revenue is recognized, net of sales related taxes, when persuasive evidence of an arrangement exists, the fees are fixed or determinable, the product is delivered or services have been rendered and collectability is reasonably assured.

The Company considers the terms of each arrangement to determine the appropriate accounting treatment. Theatrical -Contracted minimum guarantees are recognized on the theatrical release date. The Company's share of box office receipts in excess of the minimum guarantee is recognized at the point they are notified to the Company.

Revenue from operations includes sale of goods and services measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government. In respect of films

produced / co-produced / acquired, revenue is recognised in accordance with the terms and conditions of the agreements on or after the first theatrical release of the films.

G. Other Income

Interest income is recognised/ accounted on accrual basis. Dividend Income on investments is recognised for when the right to receive the dividend is established. Interest on Investments is recognised on a time proportion basis taking into account the amounts invested and the rate of interest.

H. Employee benefits/ Retirement Benefits:

Employee benefits include provident fund, superannuation fund, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

SHORT-TERM OBLIGATION:

Short-term employee benefits like salaries, wages, bonus and welfare expenses payable wholly within twelve months of rendering the services are accrued in the year in which the associated services are rendered by the employees and are measured at the amounts expected to be paid when the liabilities are settled.

LONG-TERM OBLIGATION

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

DEFINED CONTRIBUTION PLANS

Contributions to defined contribution schemes such as employee's state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

I. Impairment Of Non-Financial Assets:

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset maybe impaired. If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognising the impairment loss as an expense in the Statement of Profit and Loss. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in

use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss recognised for goodwill is not reversed in subsequent periods.

J. Taxation:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/ loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest income/expenses and penalties, if any, related to income tax are included in current tax expense.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is recognized using the tax rates enacted, or substantively enacted, by the end of the reporting period.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

K. Earnings Per Share

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.
